If someone you know  
picks up a gun . . .

Who should you tell?

9

Guns can hurt us.

Guns are dangerous.

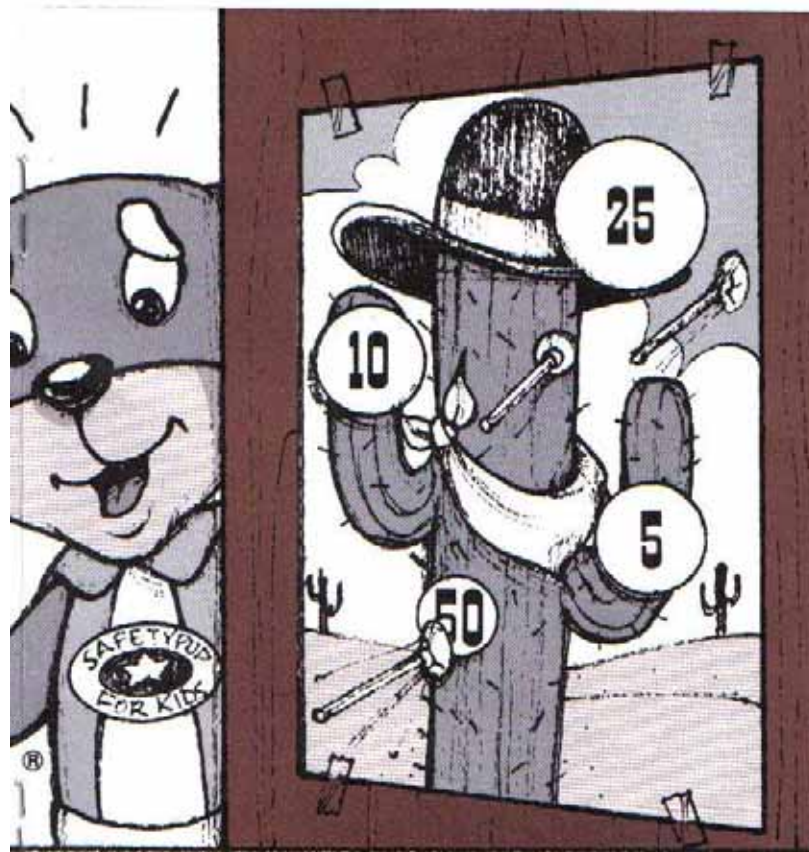

10

11

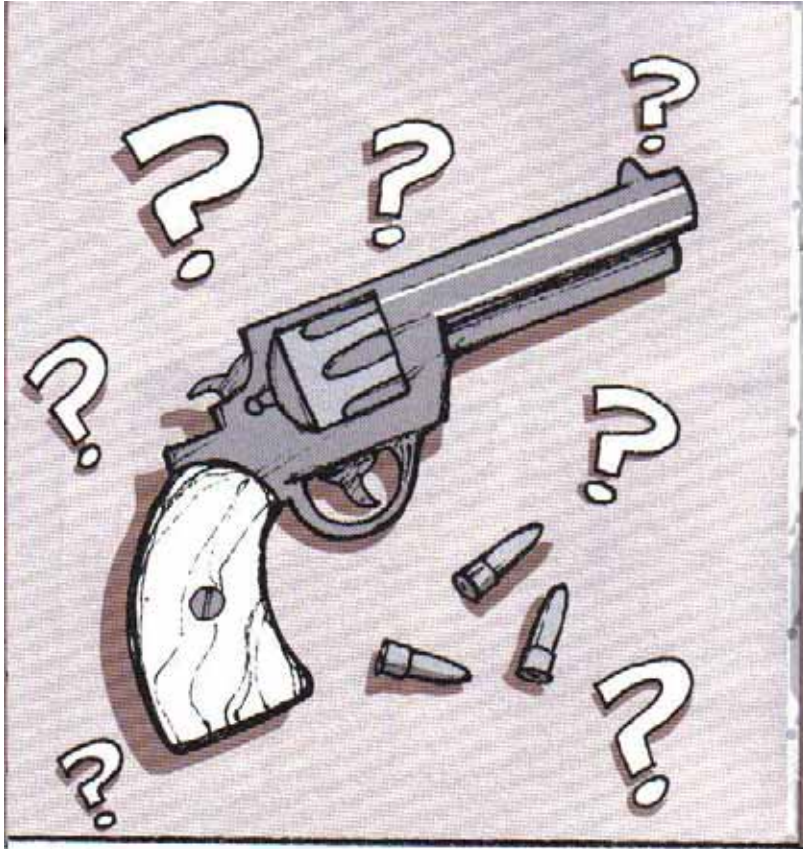

Never point a gun at  
ANYONE...

... not even a TOY gun ...

**12**

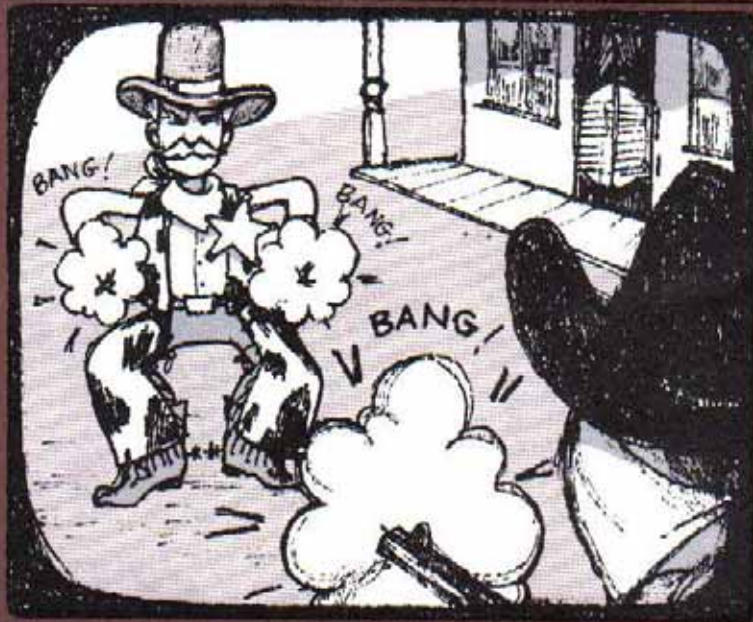

**13**

...because it might be loaded.

It could hurt someone.

Actors on TV or in  
movies use PLAY GUNS.

They PRETEND to be  
hurt or to die.

17

Afterward, they get up...

... and make more TV shows and movies.

19

Guns are NOT toys!

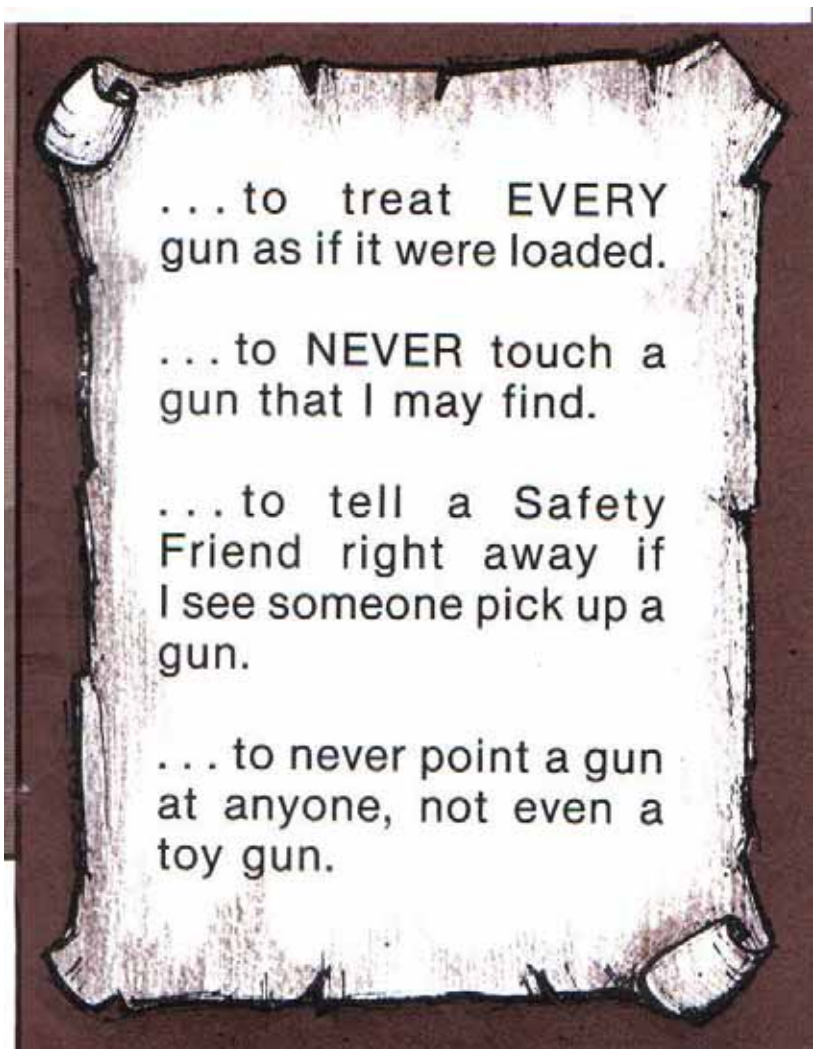

GUNS can KILL!

Repeat Safetypup® 's

gun as if it were loaded.

...to **NEVER** touch a  
gun that I may find.

...to tell a Safety  
Friend right away if  
I see someone pick up a  
gun.

...to never point a gun  
at anyone, not even a
